& Ganga Rejuvenation, Ministry of Jal Shakti,
Shram Shakti Bhawan, New Delhi.

No.FST-Lit/14/2021(7142704)

Dated: 22.10.2026

Subject: **Monthly Progress Report by States/UTs, pursuant to the Hon'ble NGT order dated 24.09.2020 in the matter of OA No.673/2018 for the month of August, 2026.**

Sir,

With reference to the subject captioned above, I am directed to forward herewith a copy of Monthly Progress Report (as per revised format) in respect of Union Territory of J&K, for the month of August, 2026 for favour of information and further necessary action.

The data in the Monthly Progress Report has been compiled after receiving inputs from stakeholder Departments viz. Jal Shakti Department, Geology & Mining Department, Department of Rural Development & Panchayati Raj, PCCF & HoFF, J&K , J&K Pollution Control Committee, and Housing & Urban Development Department.

Yours faithfully,

(Ambika Bali) JKAS
Under Secretary to the Government

Encls:As above.

Copy along with enclosure to the:-

1. Member Secretary, Central Pollution Control Board, New Delhi.
2. Member Secretary, J&K Pollution Control Committee.
3. PS to Financial Commissioner (ACS), Jal Shakti Department.
4. PS to Financial Commissioner (ACS), Mining Department.
5. PS to Commissioner/Secretary to the Government, Housing & Urban Development Department.
6. PS to Secretary to the Government, Department of Rural Development & Panchayati Raj.
7. PS to PCCF & HoFF, J&K.

Revised format for submission of Monthly Progress Report in the NGT Matter OA No. 673 of 2018 (in compliance to Hon'ble NGT Order dated 24.09.2020)

For the month of August -2026
National Mission for Clean Ganga
(Ministry of Jal Shakti, GoI)

I	Total Population:	**a.** Urban Population = 41.26 lac b. Rural Population = 114 lac

XIV	Ground Water Regulation:	The regulation of ground water is mandate of the J&K Water Resources Regulatory Authority under the J&K Water Resource Regulation and Management Act 2010. The Authority while approving new schemes or monitoring existing schemes can bar or cancel exploitation of ground water if it feels that exploitation of ground water is not in accordance with the provisions contained in JKWRRA Act 2010 & Rules -2011. The Ground water regulation is mandated only when the area to be exploited comes under grey zone or black zone. The macro management of Ground Water is prerogative of Water Resources Regulatory Authority which has power to put an embargo on exploitation of Ground Water Resources, should these borders on grey or black zones. Besides, the Draft Guidelines were prepared by JKWRRA and circulated among various stakeholders including CGWB and JK utilities. After due deliberations and consultations Draft Guidelines were amended and modified and final draft is under review by the Administrative Department.
XV	Latest water quality polluted river, its tributaries, drain with flow detail and ground water quality in the catchment of polluted river.	The monitoring of water quality in the River Jhelum, Chenab etc. and their tributaries, drains with flow pertains to the Pollution Control Board, UEED & LCMA(H&UDD) J&K, ERA(PD&MD). However, wherever surface water resources are tapped for drinking water purpose, interventions by way of Rapid Sand filtration Plant and Chlorination is restored to make the water potable. Due care is taken to test the water being supplied by undertaking water quality tests in testing laboratories set up in each division. Ground water wherever

<table>
<tr><td></td><td></td><td>tapped usually does not require chemical treatment but the water is tested prior to being supplied by undertaking water quality test as per established parameters.</td></tr>
<tr><td>XVII</td><td><u>Demarcation of Floodplain and removal of illegal encroachments:</u></td><td>The Revenue details of six flood basins which include Hokersar, Nowgam, Hygam, Narkara Numbal, Anchar and Wullar were forwarded to JKWRRA for notifying them as flood basins along with extents of flood inundation witnessed in 2014 historic flood through ground truthing and flood expanse boundaries mapped on Google Earth. The same is being examined by the authority as per the Act.
The basis wise status is as follows :
Hygam & Nowgam Jheel: JKWRRA has recommended to the Government for issuance of notification. However, in a meeting held on 21.02.2025, the Financial Commissioner (ACS) directed the revenue department, (Divisional Commissioner, Kashmir) to look into the matter and expedite the process for notification of Flood Basins of Hygam Jheel and Nowgam Jheel after ground truthing of the revenue details as submitted by the Chief Engineer, Jal Shakti (I&FC) Department, Kashmir. The Divisional Commissioner subsequently took a meeting of the concerned Deputy Commissioners, Economic Reconstruction Agency (ERA) and Jal Shakti (I&FC) Department and passed on necessary instructions in this regard.
Narkara Nambal: In order to recommend to the Government to issue orders for declaration of the areas of Narkara Nambal as flood basins, JKWRRA has published the report, so received from the Chief Engineer, Jal Shakti (I&FC) Department, Kashmir (Prescribed Authority) in two leading newspapers of Kashmir, namely "Rising Kashmir" (English Daily) and "Aftab" (Urdu Dally) on 27-07-2025 for information of general public and calling of objections, if any to the proposal. However, no objections were received from the public in this regard so far and JKWRRA has requested Chief Engineer I&FC Kashmir to submit the KMZ and KML files in order to recommend the proposal for declaration of the area as flood basin.
Hokersar Jheel: While examining the proposal received from the Chief Engineer, Jal Shakti (I&FC) Department, Kashmir, several discrepancies in the revenue records has been observed and Chief Engineer has been requested to furnish the correct and complete information.
The details of rest three namely 1) Left side flood plain from Sangam to Srinagar, 2) Anchar Lake & 3) Wullar Lake are being sought from the concerned Revenue authorities through the office of the Divisional Commissioner Kashmir which too shall be made available to JKWRRA.
Moreover, Removal of encroachments is a concurrent process and on the directions of Hon’ble Court in the PIL 02/2014 titled Peer Noor-ul-Haq Vs State & others.
The hydraulic study/ Flood plain zoning for river Ujh and Sahar khad in District Kathua has been completed by the Excel Geomatics Pvt. Ltd. The delineation process is in progress.
The hydraulic study/Flood Plain zoning for river Ujh and Sahar Khad in District Kathua has been completed by the Excel Geomatics Pvt. Ltd. The delineation process is in progress
Hydraulic study/Flood Plain regulation of River Tawi and Balole Nallah in Jammu District is being carried out by JTRFP. Draft report has been submitted for comments. After publishing a final report, remaining process shall be initiated.
Hydraulic study/ Flood Plain zoning of Chenab and other Rivers/ Nallahs is in process and after completion of Flood Plain zoning, necessary process for delineation/ notification of flood plain zones shall be initiated.</td></tr>
<tr><td>XVIII</td><td><u>Maintaining minimum environmental flow of River:</u></td><td>There are no storage reservoirs on the River Jhelum and Chenab, so the minimum environmental flow is assured at all times. The department has a regulating structure at Srinagar known as Chattabal Weir, to ensure navigation during lean season in the upstream besides ensuring the eco-flow on upstream without affecting the conditions in the downstream.</td></tr>

XX Development of Biodiversity Park:

Jammu Development Authority has developed a park in 5.6 hectare at the bank of river tawi area of polluted river stretch recently.
All ULBs and Two corporations has constituted Biodiversity Management Committee under section 41(1) of Biological Diversity Act, 2002; and Rule 19 of the J&K Biological Diversity Rule, 2015 and the meetings of their committees are carried out on regular basis.

XXI Reuse of treated water:

Plan for reuse of treated water to the minimum extent of 20% has been formulated as per SBM (Urban) 2.0 operational guidelines for utilization of this water for following usages:

a. Toilet flushing
b. Fire protection
c. Vehicle exterior washing
d. Horticulture
e. Nonedible crops

Implementation plan is under discussion in the Government for approval

<tr><td></td><td>3</td><td>A Replenishment studies for updating of District Survey Report has been taken up in various rivers/ nallahs of J&K UT.</td><td>JKEIAA in its 100th meeting held on 26.08.2024 has conveyed that:-

“Conduct of annual replenishment study by the project proponent as per sustainable sand Mining Guidelines, 2016 and the enforcement & Monitoring Guidelines, 2020 (section (5.0, 5.1 & 5.2) through Geology and Mining Department”.

In this regard, the Geology & Mining Department has forwarded approval vide letter No.GM-MNG/67/2024-04 dated 31.07.2025.

II. That the project proponent(s) shall be responsible for conducting Annual Replenishment studies of their respective River bed Mineral (RBM) Mining Blocks along with buffer zones.
II. These studies must be conducted strictly as per the provisions of the sand mining guidelines 2016 and 2020, through NABET-accredited consultants under the supervision of Geologist deployed by the Department. The project proponent has to conduct studies in a time bound manner and intimate the</td></tr>
</table>

			Department in writing regarding the conduct of replenishment studies of the respective blocks so that the team of Geologists shall be deputed accordingly. II. The consultant's findings/report shall be submitted annually to the Geology & Mining Department, J&K for verification and authentication immediately after completion of the studies conducted in various stages. It is imperative that the project proponents/lessee is bond to conduct Replenishment studies of their blocks along with buffer zone areas. Accordingly, the department has also issued orders vide Nos. (i) 218 JK-(DGM) of 2025 dated 05.08.2025 (ii) 221 JK-(DGM) of 2025 dated 06.08.2025 for supervising its Replenishment studies to be conducted by NABET accredited consultant of lease holders.
	4	Minor mineral blocks in left out/uncovered areas in various rivers/nallahs in J&K UT are being carved out and shall be put to e-auction after seeking NOCs from all Stake Holder Departments as per the guidelines strictly.	During the Year 2023-24 to 2025-26, the Department has successfully e-auctioned 42 more Minor Mineral Blocks in left out/uncovered areas after obtaining the NOCs under Single Window System (SWS) from concerned Stakeholder Departments as per guidelines/Mining Rules envisaged in SRO-105 of 2016 dated 31.03.2016. Further, the status of 19 Blocks on securing NOCs from Stakeholder Departments (Anantnag=12, Udhampur=01, Poonch=03 & Ganderbal=03) after received approval from the Administrative Department (Mining) sent by this Directorate to the Chairman, E-Auction Committee/Deputy Commissioners concerned for putting these 16 Blocks on e-Auction is as under:- **19 Minor Mineral Blocks (12 of Anantnag, 01 of Udhampur, 03 Poonch and 03 of Ganderbal):-** **District Poonch:** E-auction conducted on 10.12.2025 recommendation from Deputy Commissioner concerned received. Approval from Adm Department (Mining) received and thereafter, this Directorate issued the Letter of Intent in favour of the successful bidders for completion of requisite formalities viz. submission of approved Mining Plan, Environmental Clearance, Consent to Operate issued from the Competent Authorities, remaining 50% bid amount etc., for formal grant of Mining Lease in their favour. **District, Anantnag:-** On 7.01.2026 out of 12 Blocks of District Anantnag, e-auction of 08 Blocks were conducted under the Chairmanship of Deputy Commissioner, Anantnag of which only 06 Blocks were e-auctioned successfully and remaining 06 blocks on 21.08.2026 the Joint Director, Kashmir has been asked to fix the Minimum Reserve Bid of the left out 06 Blocks of District Anantnag in light of the directions observations contained in the Adm. Department (Mining) letter No. GM-MNG/364/2023-04 dated 21.07.2026 alongwith relevant extract of S.No. 6 of the Record Note of the meeting chaired by Hon'ble Chief Minister, J&K on 23.04.2026. The recommendations have been received on 21.04.2026 from deputy Commissioner, Anantnag in respect of 06 Blocks and the approval received from the Adm. Department (Mining) on 08.07.2026 for issuance of Letters of intent in favour of 05 successful bidders. The Letter of intent in respect of 04 successful bidders of Block No. 25,27,28 & 39 have been issued by this 07.08.2026, the clarification has been sought from the Deputy Commissioner Anantnag vide this Directorate letter dated 11.07.2026 in respect of e-auction Block No. 40 and in respect of Block No. 23, the clarification has also been sought from the Dy. Commissioner, Anantnag vide this Directorate dated 13.08.2026 and the requisite information is awaited. **District, Udhampur**: The e-auction of 01 Blocks of District, Udhampur was conducted on 30.12.2025 and the Bid offered by Highest Bidder was to the tune of **Rs. 5.746 Lakhs** and this office received letter from the office of Deputy Commissioner, Udhampur/Chairman District Level Auction Committee whereunder, the Auction Committee unanimous opinion that the Financial Quote by the highest bidder (H1) is not competitive and therefore carted formation is apprehended. The Committee as such recommends re-tender with a further recommendation for fixing a minimum competitive base price. The Joint Director, Jammu has been requested vide letter dated 16.7.2026 to re-fix the minimum reserve price/Bid of the said Block and requisite information is awaited.

			District, Ganderbal: The e-auction of these 03 Blocks have been conducted successfully on 23.04.2026 and the recommendations from the Deputy Commissioner Ganderbal have been received in respect of 02 Blocks for issuance of Lol on 15.06.2026. The cases have been submitted to the Adm. Department (Mining) on 14.07.2026 for accord of necessary approval for issuance of Letters of Intent in favour of the successful bidders. In light of the Adm. Department (Mining) letter No. GM-MNG/184/2026-04 dated 27.07.2026, this Directorate vide letter No. 1671/MCC/DGM/EAB/Ganderbal/2026/(E-7918661) dated 7.08.2026 requested the Deputy Commissioner, Ganderbal for taking appropriate necessary action in respect of these 02 e-auctioned Minor Mineral Blocks in the matter. Further, on 21.08.2026., the joint Director, Kashmir has been asked to fix the Minimum Reserve Bid of the left out 01 Block of District, Ganderbal in light of the directions observations contained in the Adm. Department (Mining) letter No. GM-MNG/364/2023-04 dated 21.07.2026 along with relevant extract of S.No. 6 of the Record Note of the meeting chaired by Hon'ble Chief Minister, J&K on 23.04.2026. Moreover, the Department has conducted Regular field programmes for Mineral exploration, identification of feasible Minor Mineral Blocks in various Districts of J&K(UT) and thereafter, the carved out/identified blocks sent to the concerned Deputy Commissioners for providing the NOCs of Stakeholder Departments under SWS. As on date, out of 92 Blocks of Minor Minerals, NOCs of 80 blocks have been received by the Department under Single Window System. Out of these 80 Blocks; Blocks rejected by different Departments = 52 ;Blocks auctioned = 03 Poonch; Block under scrutiny with JKJ = 07; Blocks with the constituted Committee for fixation of Minimum reserve Bid of the cleared Minor Mineral Blocks + 8 Blocks (Rajouri); Blocks submitted to Administrative Department for approval of fixation of reserve bid +05 blocks Shopian + 01 Udhampur; blocks sub-judice = 01 Shopian; Blocks send back to DC=03 (1 Rajouri + 02 Kathua). The NOC of remaining 12 Blocks are pending with the Deputy Commissioners (Baramulla = 05 Blocks, Doda 02 Blocks, Kupwara = 04 & Bandipora = 01 Block). Further, the more 5 minor mineral blocks of District Budgam have been identified and sent to Deputy Commissioner, Budgam on 14.7.2026, besides Five (05) blocks have also been forwarded to the Deputy Commissioner, Kulgam on 25.08.2026 for providing NOCs under Single Window System.
	5	All Stationary clearances including Environmental Clearance and C.T.O. has been made pre-requisite for grant of any mining lease/ quarry permit/ STP permission.	**For the Protection of Environment, the Rule 13 of SRO-105 of 2016 dated 31.3.2016 provides as under:-** "Every holder of minor mineral concession shall take all possible precautions for the protection of environment and control of pollution while conducting mining operations in the minor mineral concession area: Provided that before granting Mineral Concession under these rules the Concessionaire shall necessarily submit:- a. Environmental Clerance from the Competent Authority under the relevant Act or rules. b. Consent to establish/operate from J&K Pollution Control Board under Water (Prevention and Control of Pollution Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981". However, the Geology & Mining Department is following all the guidelines/ directions/Orders of Hon'ble NGT, Ministry of Environment Forest & Climate Change and Stakeholder Departments issued from time to time while granting Mineral Concessions.
	6	Environmental Audit condition as per the Hon'ble NGT directions has been incorporated in the Mining Lease Deed.	The Department has incorporated in the Form (ML10) Model Form of Mining Lease Deed at Part-VII, the Condition No. 23 and 24 as under:- **23**.**Yearly Environment Audit:** In every lease of Mine of Minerals there will be independent environmental audit at least once in a year by a reputed third party entity and report of such audit shall be placed in public domain. **24**. **Re-grassing the mining area-** The mining lease holder shall after ceasing their mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora and fauna etc.
	7	District Level Task Force Cell has been constituted vide	In this regard, it is to submit that the Government/Department has taken following steps to curb the menace of illegal extraction and

		Government order No.1569-GAD of 2018 dated 22.10.2018 to curb the illegal Mining Issues in the district and the rates of Minor Minerals including Sand in all the districts of J&K UT have been fixed by the District Administration of concerned District for regulating the Sale Price of Minor Minerals.	transportation of minerals in the UT of J&K:- 1. The Government has constituted a "***Multi Departmental District Level Task Force Cell***" vide G.O No. **1569-GAD of 2018** dated **22-10-2018** under Chairmanship of Deputy Commissioner concerned wherein, the mandate of the Committee is to quantify material extracted on account of illegal mining and imposition of penalties, inspect mining belts w.r.t Title of Land, safeguarding of Ecology and Environment, identification of sites for e-auction, evaluate price/sale of the minerals at pit head etc. 2. The Department has also constituted a *Vigilance cum Monitoring Flying Squad/Enforcement team* for Jammu/Kashmir Divisions vide order No. 114-JK(DGM) of 2025, dated 01.05.2025 to strengthen the surveillance on illegal extraction and transportation of Minor Minerals in the UT of J&K. 3. The Directorate of Geology & Mining vide Notice No. 92/MCC/DGM/Taskforce/15/5956-59 dated 18.10.2021 have notified *Helpline No. for lodging any complaint* regarding over charging/cheating in this regard. 4. The Directorate of Geology and Mining vide letter No. 59/MCC/DGM/Circular/15/1350-54 dated 25.02.2026 requested Chief Engineer Jammu/Kashmir Power Distribution Corporation Ltd. to identify any excess consumption indicative of unauthorized/illegal procurement and directions to field offices for furnishing Unit-wise electricity consumption for last 12 months in respect of all Stone Crushers for technical scrutiny and necessary action thereof. 5.The Directorate of Geology and Mining requested vide letter No.59/MCC/ DGM/Circular/15/1360-66 dated 25.02.2026 to Sr. Superintendent of Police, Jammu and letter No.59/ MCC/ DGM/ Circular/15/1367-73 dated 25.02.2026 to Deputy Commissioner, Jammu for directions to concerned Officers to sensitize for regular patrolling and Naka checking in Jammu District especially in River Tawi, verification of valid e-challan of vehicles transporting minerals. Besides, constituted a Committee vide No.59/ MCC/ DGM/ Circular/15/1401-1405 dated 25.02.2026 for on spot inspection of Tawi River Downstream 4th Bridge District, Jammu. 6.The above Directorate vide Order No. 59/MCC/DGM/Circular/15/1486-91 dated: 03.03.2026 and No. 1553-57 dated: 06.03.2026 constituted Committees in both the Provinces of J&K for checking the menace of Illegal Extraction/Transportation across the UT of J&K. 7.The Government of J&K vide S.O-61 of 2016 dated: 06.03.2026 amended the Rule-84(2) of J&K Minor Mineral Rules, 2016 notified vide SRO-105 of 2016 thereby giving powers to Deputy Commissioners, Addl. Deputy Commissioners and Sub-Divisional Magistrates and its equivalent officers under Sub Section 4 & 5 of Section 21 of Mines and Minerals (Development & Regulation) Act, 1957 for seizure of illegally extracted or transported minerals along with tools, equipments, machinery, vehicles, and other material used in the commission of such offences.
	8	For proper Transportation of Minor Minerals, transportation challans with following security feature have been Introduced recently. - a) Unique Bar Code. b) Unique quick response code. c) Water Mark.	1. In order to bring transparency and ease of doing business, the Department has launched Online Web-portal (e-Challan/e-Market Place) on 24.08.2022 for sale and purchase of minerals online at notified rates for convenience of general public wherein current manual challan replaced with E-challan having secured QR Code, Water Mark, Validity of Challan and Unique Challan No. and Details of vendor/Lessee etc. through which Project Proponents/Mineral Dealer License Holders/Crusher Unit Holders and Short Term Permit/Quarry/Mining Lease Holders shall apply/submit/generate online Form-A for Transportation of Minor Minerals in J&K UT. 2. Further, the Department, for the first time, has developed an Integrated Mining Surveillance System (IMSS) Portal and Mobile Application through Bhaskaracharya Institute for Space Applications and Geo informatics (BISAG) with features of Dashboard integrated with the Departmental e-Challan/e-Market Portal/GPS/RFID/Public grievance portal. The system is designed to detect suspicious activities (illegal mining) within a radius of 500 meters outside the mining lease boundary.

<table>
<tr><td></td><td></td><td></td><td>The technology automatically generates alerts ("triggers") for any unauthorized activity or discrepancy, which are simultaneously flagged to the concerned District Mineral Officer, Senior Superintendent of Police, and Deputy Commissioner for necessary verification. As of date, a total of 201 such triggers have been generated and forwarded to the respective officers for field verification, 37 illegal activities confirmed Rs. 215.12 Lakhs penalty imposed.
3. For effective transportation of Minerals, the Administrative (Mining) Department vide S.O No. 311 dated 05.12.2025 has made mandatory the installation of GPS enabled vehicle/carrier registered with the Department (with a Unique RFID number) for transportation of minerals which is in place,10000 + vehicles have been integrated under IMSS by BISAG in J&K successfully.
4. For transportation of minerals the department has made live vehicle tracking enabled for all VTD-Fitted Vehicles across J&K.
5. The Department has also initiated on-spot imposition/ realization of penalties on violators involved in illegal mining through Point of Sale (POS) machines on the analogy of Traffic Department.</td></tr>
<tr><td>9</td><td>The Department has taken up the construction work of several check posts and in process to install Hi-Tech system with CCTVs to monitor the transportation of Minor Minerals including River Bed material in the J&K UT.</td><td>The Department has constructed 22 Mineral Check Posts at different entry & exit mineral check points in UT of J&K for monitoring the illegal extraction and transportation of Minerals.</td></tr>
<tr><td>10</td><td>Wherever the guidelines are violated, the action under section 21(4) and (5) is taken against the violators.</td><td>In order to regulate and monitor the illegal transportation of minerals in the UT of J&K, the department has taken action against the illegal mining offenders under Section 21 (4) & (5) of MM(D&R) Act, 1957 and rules made thereunder. Besides, lodging FIRs against the habitual offenders. The year wise detail is as under:
<table>
<tr><th>S. No.</th><th>Year</th><th>No. of vehicles/ machineries seized on account of illegal Mining/Transportation of Minerals</th><th>Penalty amount realized (Rs. in Crores)</th></tr>
<tr><td>1</td><td>2019-20</td><td>1892</td><td>3.05</td></tr>
