

Day 23

Day 23rd of the month long rafting expedition of 'Ganga Aamantran Abhiyan' saw the team continue their journey with the flag off from Simaria Ghat in Begusarai District of Bihar. Sh. Richie Pandey, DDC, Begusarai blessed the team and its leader, Wing Commander Paramvir Singh, with the best wishes in continuing the pious journey forward.

The rafting team then reached Kashtaharini Ghat in the famous Munger district of Bihar, where they were given a warm welcome by the mayor herself, Smt. Ruma Raj. Kashtaharini Ghat has been quite significant to the mythology of our country, and it was only fitting that the team stopped to seek blessings in continuing their journey forward.

Thereafter, the team went on to Shoji Ghat in Munger, where they witnessed the Ganga Aarti, along with the officials and residents of Munger. As the Aarti came to an end, the evening set, and the team could not have asked for a more pious and peaceful nudge to take the 'Ganga Aamantran Abhiyan' forward.
