Guidelines for preparation of Utilization Certificates

Updated as on 17.05.2024

- (i) SMCGs and other Grantees are required to submit Utilization Certificates quarterly in **Form 12 A** of the **General Financial Rules, 2017**. Submission of UCs in any other Form is not acceptable. Form 19 A of GFR 2005 is also not the correct form for submission of UCs, as GFR 2005 have been superseded by GFR 2017. **This needs to be read with Rules 238 (1) and (2) of GFR. 2017.**
- (ii) GFR 2017 (updated up to 31.07.2023) is available on the website of the NMCG (<https://nmcg.nic.in> →Divisions→Finance→GFR 2017). **A copy of Form 12 A is also attached.**
- (iii) UCs are required to be signed by **both** **Head of the Organization and Chief Finance Officer.**
- (iv) Utilization of funds is required to be reported project-wise and activity-wise, along with outcomes achieved. A format for this purpose, **which is to be attached to the UC in Form 12 A**, was circulated vide DO dated 10.10.2022 (enclosed for ready reference). This is also available on the website of the NMCG. **While this format is meant for SMCGs, other grantees can also use it with suitable modifications.**
- (v) Augmentation of any budget head is NOT permissible. SMCGs/ grantees cannot reallocate grants released/ assigned by the NMCG from one object head to another (such as “Grants-in- aid – General” and “Grants for creation of Capital Assets”). Any augmentation in Grants-in-aid requires approval of the Parliament.
- (vi) Utilization of grants-in-aid will have to be reported under the head for which grants were released.
- (vii) A doubt has often arisen about reporting of closing balance in the UC. The closing balance may comprise both unadjusted advances and bank balance (though under TSA, there should not be any bank balance at the end of the year). While the Table at S No. 4 of Form 12-A provides for a single entry for “Closing Balances”, there is provision to report end of the year “cash in hand” and “unadjusted advance” separately below the said Table. **Therefore, the grantees are advised to report the aggregate closing balance (bank balance plus unadjusted advance) in the Table. The break-up of “cash in hand” and “unadjusted advance” may be provided separately.**

(viii) Rule 238(2) of GFR stipulates that before grants-in-aid are released for the first time in a particular year, UCs in respect of grants released in preceding years must be furnished. Therefore, before submitting fund demand in a new financial year, grantees may ensure all UCs for preceding years have been submitted.

(ix) Normally no interests should be earned on grants-in-aid under the Treasury Single Account System. However, in case any interest has accrued, same may be refunded immediately after finalization of Annual Accounts [Rule 230(8) of GFR].

(x) In case of release of grants by NMCG to a **State Government, Rule 239 of GFR, 2017 is applicable.** State Governments are required to submit Utilization Certificate in Form 12 C. **A copy of Form 12 C is also attached.**

In order to ensure compliance with the provisions of GFR-2017, an advisory on submission of UCs is attached herewith.

October, 10, 2022

Dear *Sir/Madam*

At present, the quarterly Utilization Certificates submitted by State Missions for Clean Ganga (SMCGs) certify only the total amount spent out of the Grants-in-aid received from the NMCG. However, the General Financial Rules (GFR 2017) stipulate that Utilization Certificate should also capture outcomes achieved through utilization of funds. Besides, from the Consolidated Certificate, it is not possible to track project-wise expenditure by SMCGs.

2. This issue was also discussed during the Audit Review Committee/ Budget Review Committee meeting held on 12th July, 2022 and it was decided that the Utilization Certificate henceforth will also reflect project-wise utilization and outcomes achieved.

3. A format has been devised to enable the NMCG to report project/activity-wise expenditure along with the outcome (enclosed). This format may be annexed to the Utilization Certificates furnished by SMCGs in GFR 12-A. The new system of reporting will be effective from the 2nd quarter of FY 2022-23.

With regards,

Yours sincerely,

(Bhaskar Dasgupta)
