**Supplementary Minutes of 16<sup>th</sup> meeting of the Executive Committee (EC) of National Mission for Clean Ganga (NMCG) held on 29<sup>th</sup> October 2018 in NMCG Office, Delhi**

**Table Agenda No. 9: “Revised Administrative Approval & Expenditure Sanction for I/ D & STP Works at Ramnagar” under Namami Gange Program.**

- Original Project Cost: ₹ 7125.64 Lakh including O & M for 15 years
- Revised Project Cost: ₹ 7291.38 Lakh + applicable GST including O & M for 15 years
- Reasons for revision: The non availability of the land at the pre-identified location has resulted in change of location of STP site. The change has resulted in increased length of rising main, pumping head, approach road length leading to increase in the capital and O&M cost of the project.

*After detailed discussion Executive Committee (EC), in consideration of the change in location of the STP site resulting in increased length of Rising Main, head loss, pump capacities, approach road length leading to increase in the capital and O&M cost of the project, resolved to ratify the proposal for according Revised Administrative Approval and Expenditure Sanction (AA&ES) for I/ D & STP Works at Ramnagar” under Namami Gange Program for the revised project cost of ₹ 7291.38 Lakh exclusive of GST. The other terms and conditions of the original AA&ES dated 28/07/17 to remain unchanged and applicable.*

**Table Agenda No. 10: Amendment to AA&ES for Ghat Cleaning Project at 4 towns in Uttar Pradesh**

EC expressed concern regarding the delay in award of the work of ghat cleaning projects for the towns of Bithoor, Kanpur, Allahabad & Mathura-Vrindavan sanctioned in July 2018.

The representatives from the UPSMCG presented that individual ULBs, being executing agencies as per AA&ES, have invited tenders but there has been very poor response to the ghat cleaning tenders even after multiple rounds of tendering. UPSMCG has proposed that the tendering for ghat cleaning projects at the four towns (Bithoor, Kanpur, Allahabad & Mathura-Vrindavan) may be done centrally by the State Government instead of by individual ULBs.

*EC after discussions resolved that UPSMCG may look closely into the reasons for poor response and may be permitted to invite tender for the project at the level of UPSMCG. The AA&ES may be amended to such extent.*
